## SUMMARY

---

Enthusiastic Full Stack Developer with a solid foundation in Java, C, JavaScript, and the MERN stack. Experienced in designing and deploying scalable applications, implementing secure APIs, and optimizing performance across platforms. Passionate about problem-solving, agile development, and building impactful digital products.

## EDUCATION

---

**Sri Shakthi Institute of Engineering and Technology**

Coimbatore, India

*B.E. Computer Science, CGPA 8.51*

*2023 – 2027*

**Bharathi Matriculation Hr. Sec. School**

*Higher Secondary (12th), 86.5%*

*2021 – 2023*

## CONSULTANCY WORKS

---

**Casual Clothings Pvt Ltd – Full Stack Developer**

*React, Node.js, Express, MongoDB, Tailwind CSS* | Live Link

Aug 2025

- Developed and deployed a scalable e-commerce platform with customer and admin modules.
- Implemented JWT authentication and integrated Razorpay for secure payments.
- Built responsive admin dashboard for orders, refunds, and inventory.
- Optimized frontend and API response times for smooth experience.

## PROJECTS

---

**NotesApp**

*React, Tailwind, Node.js, Express, MongoDB* | [Live Link]

May 2025

- Developed a full-stack note-taking app supporting CRUD operations and reminders.
- Implemented a secure backend with Express.js and MongoDB for real-time operations.
- Designed a responsive UI using Tailwind CSS and optimized routing with React Router.

**Movie Recommendation System**

*Python, Streamlit, scikit-learn, YouTube API* | [Code Link]

Nov 2024

- Built a recommendation engine using cosine similarity on 5K+ movies.
- Preprocessed and vectorized movie metadata with scikit-learn pipelines for accurate predictions.
- Integrated YouTube API for instant trailers and deployed with a Streamlit UI.

## TECHNICAL SKILLS

---

**Languages:** Java, C, JavaScript

**Frontend:** HTML, CSS, Bootstrap, Tailwind, React.js

**Backend:** Node.js, Express.js, REST APIs, JWT, CORS

**Databases:** MongoDB, MySQL

**Tools:** Git, GitHub, Postman, VS Code

**Concepts:** OOP, DSA, Software Development Best Practices

## ACHIEVEMENTS

---

- Built and deployed full-stack applications, gaining end-to-end experience from development to real-time implementation.
- Top 100 in Truth-tell Hackathon.
- Final round shortlisted in HackXelerate'25 National Hackathon.

## CERTIFICATIONS

---

- SQL – Sololearn
- Python – LinkedIn Learning
